Alcohol Guidelines

The VCU Office of Alumni Relations discourages complimentary alcohol served at events unless ticketed. For events, no more than two complimentary drink tickets should be given. Groups should contract with a licensed caterer or venue who will serve the alcohol under their liquor license. An invoice for payment must be provided at the conclusion of the event.

VCU does not reimburse an individual for alcohol purchased using their personal funds.

Students or guests younger than 21 should never be served alcohol in accordance with Virginia state law.
